

Kisserup International Trade Roots Inc. (Kisserup) is an international consulting and trade training company with offices located in Halifax, Nova Scotia, Canada and a European office in Copenhagen, Denmark. Since 1998, Kisserup has been helping companies, government organizations, industry and trade associations successfully facilitate export development, create and implement winning strategies and grow market share.

Notes

“Kisserup International gave MedSenses the key to the gateway of the global market. The invaluable advice and coaching gave us the confidence and tools to pursue international markets.”

**Lynn Casey - ‘The Nursing Content Solution’ Co-Founder
MedSenses Inc. - Named as one of the World’s Most Innovative Companies**

“Kisserup’s rich experience and ability to effectively deliver content to a diverse audience makes an easy choice for many of our international trade training initiatives. We recommend Kisserup as an excellent partner to work with.”
